1ST HALF OF SECOND TERM 2013/2014 SESSION

NEWSLETTER

Dear Parents/guardians,

Glory be to the Almighty God, for His mercies endure forever. We have successfully completed another half of a term. For this reason, we are thankful to God who made it possible by blessing our efforts. We are also grateful to all our loving parents/guardians for your continuous support. May the Lord continue to bless you with long healthy life and financial success.

ACADEMICS: Mercyland International College Abeokuta will continue to provide quality education in a conducive environment, and with excellent facilities. We are not relenting our effort in ensuring that each child that passes through the school is well equipped with ability to be critical, analytical and systematic in decision making, approach to life and pursuance of personal ambition. Intensive academic work was therefore carried out in all classes throughout the period under review.

EXTENSION CLASSES FOR SSS 3 & JSS 3 STUDENTS: We have registered our students in SSS 3 and JSS 3 for their respective certificate examinations. We are mindful of the importance of these examinations. We are not leaving any stone unturned to ensure that our students are well prepared. West African Senior School Certificate Examination (WASSCE) will commence on 2nd April 2014 for the school. SSS 3 students will remain in the school from the beginning of 2nd half of this term (24/4/14) till the end of 3rd term in July. While JSS 3 will have their extension class from 4/4/14 to 17/4/14. Parents/Guardians are therefore advised to make adequate arrangement for these children as they return to school.

MOCK EXAMINATION: The first mock examination for SSS 3 students has been concluded. The aim is to point out to the students their weaknesses and areas of adjustments. The result has been given to the students. The second mock will be done in March.

DISCIPLINE/NEATNESS/PUNCTUALITY: We commend the efforts of parents/guardians, students and staff of the school for the high moral tone of the school. This must be sustained. Parents and Guardians are hereby encouraged to continue cooperating with the school on disciplinary any issues. Let us also ensure that the children come to school on time and neatly dressed in approved uniform.

COMPETITION: The school had basketball friendly match with The International Academy Wasimi (a sporting school) and we won the game by 34 against 32 baskets.. We took part in essay and debate competitions for Secondary Schools in Odeda, Abeokuta North and Abeokuta South Local Government Areas organized by Restore Hope for Nigeria. We emerged 2nd and 1st position in the events. Well done great Mercylanders

20TH ANNIVERSARY: In October 2014, Mercyland International Schools will be celebrating 20years of continuous provision of quality education to learners from Nigeria and other countries. It is going to be a big event. The details of activities for the celebration will be made public in due time.
