FIRST HALF OF 2<sup>ND</sup> TERM ENDING FRIDAY 20<sup>TH</sup> FEBRUARY, 2015.**

Dear Valued Parents/Guardians,

**INTRODUCTION:**

With gratitude to God we thank our numerous and wonderful parents/guardians whom since the inception of the establishment of the school have given support and understanding to our great school.

**DISCIPLINE:**

No educational institution will allow discipline to be dragged in the mud, hence every member of staff and our dear parents owe it a duty to instill discipline in our pupils.

The rules and regulations of the school are explicit enough and we expect our pupils to dress properly to school, to behave morally in and out of school as well as to be punctual at school since "Punctuality is the soul of business".

**SOCIAL ACTIVITIES:**

The school took part in many activities during this half of the second term. Various invitations to inter-house sports competitions of other schools were honoured. Similarly, we have different clubs like the French club, Girls' Guild, Boys' Scout/Brownies, Boys Brigade, Home Economics (home-makers), Sport/Games, Press Club, Jet and Cultural clubs in our school and pupils have since joined those which appeal to them. Each pupil is expected to join one as membership of at least a club is compulsory.

**ADMISSION:**

Admission forms into the school are available for Creche, Nursery, Primary and Secondary. For enquiries, please contact any of the above listed telephone numbers.

**SECURITY ALERT:**

The School Management frowns at the act of parents who do not always come early to pick their children/wards after closing time from school. It will be recalled that a letter in this regard dated 24<sup>th</sup> February, 2010 was sent to parents and another through text message (SMS) was sent to inform parents about the school's stand on this. The school now strongly appeal to parents who are still falling short of above to see as a further guide, the actual time for picking your children/wards after closing time. The closing schedule is as follows:

1. Kindergarten Section                      1:00pm
2. Nursery Section                                      2:00pm
3. Lower Basic Section                      3:00pm
4. Upper Basic Section                                      3:00pm

We advise parents to pick their children/wards on time as no teacher nor security personnel will be held responsible should any parent pick his/her child after 4:00pm.

## **NEW INFRASTRUCTURAL DEVELOPMENT:**

During this 2<sup>nd</sup> Term, the school has completed additional hostel facilities for the male students, a multipurpose hall which will serve as dining hall, prep centre and venue for indoor games has been fully completed along with more rooms. Also the perimeter fence which fell down has been rebuilt. Our Mikano Power generator which broke down has also been repaired with improved capacity to meet our current electricity need.

## **HEALTH:**

Healthy minds in a healthy body. Parents are advised to inform the school of any ailment or common regular ailment of their children for continuous assessment and monitoring.

## **P.T.A MEETING:**

The school is proud of its formidable joint P.T.A/Interactive Section. The Association had a meeting on Wednesday, 18<sup>th</sup> February, 2015. We appreciate all those parents who turned up en masse for a successful deliberation on the activities and welfare of their children/wards in the school. We use this medium to encourage all our distinguished parents to always attend the P.T.A/Interactive Section.
