THIRD HALF TERM ENDING MONDAY 16TH JUNE, 2014.

Dear Valued Parent/Guardian,

INTRODUCTION:

We wish to express our appreciation to parents/guardians for your continued unflinching financial support and numerous contributions towards the school's progress.

Today marks the end of the Half Term of the Third Term 2013/2014 Academic Session. We are very grateful to the Almighty God for His protection and guidance towards us every day in and out of our different domains.

DISCIPLINE:

We immensely appreciate the efforts and support of our dear parents and guardians on the issue of discipline in the school. We request that parents and guardians should continue to encourage their children and wards to be of good behavior always, inside and outside the school and also to obey the school rules and regulations. Pupils should always be in the correct school uniform except on out-of-uniform days and must be decently dressed at all times.

ACHIEVEMENTS:

It is ideally important to note that a lot of successes and achievements were recorded in the Half Term which has just ended. This is as a result of our earlier promise to maintain the standard and aim also at introducing new subjects and new ideas suitable for academic development of the children. No wonder the saying that "ideas build the nation" has come to its reality in our school. A new library was opened for use by the children.

SOCIAL ACTIVITIES:

The school took part in many activities during this first half of third term. The Children's Day party was observed with fun-thrilling events at the school's hall of residence and invited guests/parents in attendance ranked our school the best in organizing such programme which brought in lots of creativity among the children. Our school is still in the lead on songs, poems and club activities. The school's French club thrilled the audience at the recent French Day organized by the state French Teachers Association. Ever in place are the Home-Economics (home-makers), Sport/Games, Press, Jet and Cultural clubs, Girls' Guide, Boys' Scout/Brownies and Boys Brigade Clubs. And pupils are encouraged to join those which appeal to them. A pupil is expected to join one club.

SCHOOL FEES:

No debtor will be allowed into the school as from Monday 16th June, 2014. Thus we hereby encourage those who are yet to balance their fees to do so before the end of mid-term break.

We still maintain our earlier promise that the school is poised to provide improved and enhanced environment for the promotion of high academic and moral standards. We do not want to have a tradition of sending innocent pupils away from class. May God bless and enrich our economic resources.

2013/2014 GRADUATION CEREMONY:
